1. The following is an Examiner's Statement of Reasons for Allowance:

Applicant's Arguments/Remarks and Affidavits filed 08/16/2006 in response to non-final rejection of 06/06/2006, and discussion during interview of 08/28/2006 is carefully considered and reviewed. It's deemed the evidences presented are sufficient to overcome the outstanding non-final rejection. It's evidence that CAT-5 cable is in used prior to applicant's application, however, no specific prior art is disclosed or suggested that CAT-5 cable is being specifically used for conducting stereophonic audio signals as in the instant claimed invention. Updated was conducted, but no further pertinent prior art with a priority date of December 1996 (as evidence in the Affidavits of 08/16/2006) was found. Therefore, it's deemed the instant application is passed for issue.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Xu Mei whose telephone number is 571-272-7523. The examiner can normally be reached on Monday-Friday (9:30-6:00).
